FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

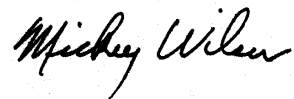

DESCRIPTION

This proposal revises the method in which reinsurance is allowed to be counted as an asset or deduction from liability. The bill requires the assets of any foreign insurer or reinsurer which are used as security for insurance or reinsurance to be maintained within the United States. The proposal exempts from the "vexatious refusal to pay" statute any lawsuits arising out of a contract of reinsurance made by a ceding insurer against an assuming insurer.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
